

3.18.10

CTRCC Club Meeting Minutes

Kelvin called the meeting to order. 27 members were present

Brent gave the Treasure report. We have \$6023.45 in the bank after all bills were paid. That includes the payment to John. He also had the bank statements open for review.

Old Business – Mark Browning joined our club and was voted in.

New business – Steve Dockery asked for volunteers to fly at the Kingman airport on 5.22.10. Please give Steve Dockery a call if you can help out.

Safety rules were discussed and voted on. The safety rules are attached. Please read the rules and abide by them. John Balcome motioned to approve and Marvin Blankenship second the motion. All voted were yes with one no. Ken Romine was the only no vote.

We also asked that our Safety officers and field marshals to step up their involvement in watching for unsafe actions. If one of these people approach you and ask you not to continue with the action that you honor their request. If you have a problem with the request we ask that you bring the problem to the next club meeting and it can be discussed with the group.

There was discussion about cutting some trees on the north end of the flying field. It was decided to wait for an outdoor club meeting and resume the discussion at the meeting.

Thanks to all who attended and let's hope for good weather.

Your elected club officers
